

# TT800Q 4G LTE ANDROID TABLET

Fast, Flexible & Lightweight

Built with security in mind, the **TT800Q** features a locked-down firmware and tamper-proof application interface. And with “MDM-Lite” integration, you can support your devices from anywhere with critical over-the-air firmware updates.

## Customization Benefits

Empower your workforce with value-generating solutions designed specifically to meet the needs of your business.

### Hardware

- Long product life cycle
- Seamless infrastructure integration
- Certified and Compliant

### Firmware

- Highly secure
- Easy deployment
- Controlled user experience

### Connectivity

- Cellular
- Wi-Fi
- Bluetooth
