

# TT800V 4G LTE ANDROID TABLET

Tough, Reliable & Modular

The JACS **TT800V** 8" Verizon 4G LTE Android Tablet provides reliable connectivity in an enterprise-grade, semi-rugged design that can withstand extreme temperatures and heavy use in harsh conditions. Built with security in mind, the TT800V has a locked-down firmware and a tamper-proof application interface

## Customization Benefits

Empower your workforce with value-generating solutions designed specifically to meet the needs of your business.

### Hardware

- Long product life cycle
- Seamless infrastructure integration
- Certified and Compliant

### Firmware

- Highly secure
- Easy deployment
- Controlled user experience

### Connectivity

- Cellular
- Wi-Fi
- Bluetooth
