

TS3203 32" TOUCHSCREEN

Flexible, Connected & Versatile

The JACS **TS3203** touchscreen delivers a robust, flexible, and cost-effective platform for user engagement. The TS3203 is built to withstand heavy use and its form factor is perfect for mounting in tamper-resistant enclosures, making it an ideal platform solution for wayfinding, digital directories, secure self-checkout, and interactive kiosks.

Customization Benefits

Empower your workforce with value-generating solutions designed specifically to meet the needs of your business.

Hardware

- Long product life cycle
- Seamless infrastructure integration
- Certified and Compliant

Firmware

- Highly secure
- Easy deployment
- Controlled user experience

Connectivity

- Ethernet
- Wi-Fi
- Bluetooth

TS3203 TOUCHSCREEN SPECIFICATIONS
